

HCCC Aquatic Rehabilitation Program for Hood Canal Low Dissolved Oxygen

Stormwater and Land Use Practices Workgroup

Tuesday, April 27, 2010

1:00 – 4:00 pm

Mason County Public Works
100 W. Public Works Drive, Shelton, WA 98584

DRAFT AGENDA

1. Introductions
2. Agenda Review and Approval (5 Minutes)
3. Discuss a proposed approach for the Aquatic Rehabilitation Action Plan (30 minutes)
 - Create a larger stormwater chapter that addresses broader aquatic rehabilitation problems beyond low dissolved oxygen
 - Incorporate this larger stormwater chapter into the Action Plan, but focus on aspects related to low D.O.
4. Discuss the definition of stormwater (10 minutes)
5. Discuss the stormwater and landuse chapter outline (45 minutes)
 - Do you think the overall approach to the chapter is effective?
 - What feedback do you have after reviewing the chapter?
 - What sequence of tasks should be used to develop the outline content most effectively?
 - Can workgroup members take the lead on developing sections in their area of expertise?

Break (10 minutes)

6. Discuss stormwater measures matrix (40 Minutes)
 - Discuss next steps of how to develop the matrix further
 - Discuss the rating system and comparison across counties
 - Form a subgroup to: further define the measures in the matrix and to develop a narrative background section to accompany the matrix?
7. Public involvement process (30 Minutes)

8. Next Steps (10 Minutes)

- Agreement on the Next Things the Group Will focus On
- Set Next Meeting Date, Time, Place, Known Agenda Items

9. Adjourn
